INSTRUCTIONAL PLATFORM

AMMS will be using the Schoology Learning Management System. Teachers will upload all documents and links that students will need into this website. Students will watch videos, read documents, submit assignments, follow links to live instruction, and complete other tasks through this platform. Due dates will be listed and assignments must be completed by the assigned dates for students to receive credit unless extenuating circumstances are communicated and approved by the teacher.

Devices

The Eufaula City Schools Technology Department will be based at AMMS prior to the start of school. Students will receive a date and time to come receive a school-issued iPad as well as information about how to operate them. Student schedules will also be given at this time.

Assignments

Assignments, resources, and links will be posted on Monday for the entire week of instruction, though some minor changes may be necessary based on students' understanding of the material.

ZOOM

Teachers will use Zoom to conduct live instruction. They will put the link to the class session in the Schoology system for students to follow to log in. During instruction, students may be placed into "breakout rooms" to work collaboratively in small groups.

CONFERENCES

Teachers will be available for parent conferences to be held by Zoom. Please email your child's teacher in order to schedule a meeting outside of their regular class time.

GRADES

All assignments will be submitted through Schoology and all graded assignments will count towards the final average for the nine weeks. Students will receive a minimum of two grades per week in each class, which will be entered into INOW.

Attendance

Students will be required to attend live instruction for each class daily and attendance will be taken.

Counseling

Ms. McCullough will host both small-group and individual counseling sessions via Zoom. She will send out information on how to sign up for these services.
